

## **CCV Racing – 2019 Nomination for Crew of the Year or Rookie Crew of the Year**

Each year CCV Racing sponsors two prestigious awards to those who make racing our boats possible – the crew! The first is for “Rookie Crew of the Year” who have just taken up sailing on a racing boat within the last two years, in this case since 2017 at the longest, and have shown a dedication to improving their skills (e.g., sail trim, calling wind shifts and strength, logistics, etc.) and helping the team and boat to do better. The second award for “Crew of the Year” is for those who have been racing for longer than 2 years, but typically more than 5 years, who consistently contribute their skills, knowledge, and experience to build and maintain the team, helping with boat maintenance, teaching Rookies the tricks to racing, helping with team morale, and all those things that stand out and make them valued and special crew members. The one thing that is required for both nominations is that they be CCVR members, so if you’re nominating someone who isn’t, get them a membership (\$40, no biggie). Nominations can be from other crew, but typically from skippers/boat owners. They are due **no later than 28 October 2019**, so complete this form, save with nominee name, and email to [ccvmail@ccvracing.us](mailto:ccvmail@ccvracing.us) with “Crew Nomination” in the Subject Line.

### **2019 Nomination Form**

Crew name:

Category (check):     Rookie of the Year         Crew of the Year

Nominator Name and email:

Boat(s) on which they sail:

Justification why this person should receive the award (250 words/1500 characters or less):
