

CCV FOUNDERS RACE (2021)

ADDITIONAL INFORMATION

1. The regatta will use drop mark courses as per “Drop Mark Course Diagrams” shown on Page 43 of the 2021 CCV Racing Guide.
2. Courses will be “T” courses consisting of a triangle followed by one or more windward-leeward legs. The number following “TL” on the course board will indicate the number of windward-leeward laps that fleet shall sail after the initial (and only) triangle.
3. The triangle will be an equilateral triangle with interior angles of approximately 60 degrees. Target time for the race is 2.5 - 3.5 hours. Accordingly, leg lengths will be long, probable between 1.4-1.8 nm each. Failure of the race to fall within the target window is not grounds for redress.
4. The actual time limit for the race is four hours. If no boat in a fleet sails the course and finishes within four hours, (1) they will have died of boredom and (2) they will be scored DNF. Boats still racing, but not finished within one hour of the first boat in their fleet to sail the course and finish, will be scored TLE (Time Limit Expired) and scored one (1) point more than the number of boats in their fleet who sailed the course and finished within this Finish Window.

5. Mark descriptions:

Weather and Wing Marks	3' Orange Inflatable
Weather Change Mark	3' Yellow Inflatable
Leeward Mark	3' Orange Inflatable
Start/Finish Mark	3' Green Inflatable

6. PHRF CR Ratings will be used for all fleets except CRCA.

7. For information:
