

ADVANCED CLASS

CCV Racing's Advanced Training Class takes a deeper dive into the fundamental skills that make sailors faster, smarter, and more confident on the racecourse. Building on the basics, sailors sharpen sail trim, boat handling, tactics, rules, starts, and crew coordination—with an emphasis on applying these skills in real racing situations.

Hampton Yacht Club - Brady Sailing Center 9/8, 9/15, 9/22, 9/29
